

# Leadership Dialogue

## - What's "global citizen" / "global leadership" .

Unilever is one of the biggest consumer goods company owns LUX, Dove, and Lipton etc. We will have special opportunity to talk with leaders working globally in Unilever. Feel an excitement to explore your career globally!

With LUNCH

ALL in English

### Out line

There are lots of leader developing their career regardless of gender, race, and nationality in Unilever. We will invite 2 leaders, and they will share their experience in global companies with keywords such as global leadership, career development and life planning as women. You can get the sense of "global" through this interactive session!
